-Bonus disc has 11 never before released live performances
-19 tracks housed in a hardcover book with 40 pages of liner notes & photos
-2 CDs

From a recent MSN Music interview:

Mark Brown: "Shoot Out the Lights" is coming out with bonus tracks and live cuts. Do you have any say?

Richard Thompson: I was consulted on the bonus disc. Myself and Linda went through and suggested live tracks to include, that in our opinions were worthy. Between myself and Linda and the compilers, we came up with tracks that were real representative of that tour.
